

## Quick

Getting your organization online with a website has never been as **QUICK** as when you use Your Org Site (YOS).

Visitors to your site want 5 basic questions answered. We have put together the questions; you just supply the answers to:

- What events are coming up?
- What news is there from the organization?
- What can you tell me about the organization as a whole, how do I join?
- What are the additional places I can look for information?
- How do I contact you?

Answer those questions and your site is ready to be online!

## Easy

Never again worry about the “knowledgeable” person leaving the group! YOS uses Google Apps™ to drive your site. Making it **EASY** to maintain your site. You just put your....

- News articles
- Upcoming Dates
- Images
- Additional web pages

....into Google Apps™ and you are ready to go!

Changing the look and feel is just as **EASY!**
